COMMUNITY SERVICE BACKGROUND & PREPAREDNESS

RJ Bradner is a Bath Resident since 1980 and has been active in local affairs with a focus on Environmental Advocacy, Superb Police & Fire Services, Fiscal Conservancy and High Quality of Life. Bath is a Beautiful, Green, and Rural Gem in Northeast Ohio.

RJ Bradner strongly believes that the most effective, responsible and responsive government is one that is closest to the taxpayer constituent. He promotes government that is fiscally responsible while preserving and sustaining the Moral Duty of Environmental Advocacy that encourages and stimulates a High Quality of Life for residents.

Having served on the Bath Township Historic Committee, he has a Grounded Sensibility of the importance of History with regards to assessing current status in order to plan out strategies for successful future outcomes. This is reflected in his guidance of the Zoning Commission through turbulent waters for the past 17 years.

RJ is Strongly Committed to Keeping Bath Rural as an overriding imperative in the face of pressures on local government by influential developers that could negatively affect our Rural and Bucolic Quality of Life.
